MATRIX
Composite Materials Company

Agreement Form

This agreement is made between
Matrix Composite Materials Company Ltd - ("MCMC") and

_____ - ("the Contractor")

_____

_____

Introduction

MCMC supply the Resin. The Contractor proposes to use the Resin in the Works specified in the schedule. MCMC is prepared to provide a guarantee to the customer provided that the Contractor has complied with the Guide in undertaking and completing the Works

Definitions

"Resin"	means Matrix Premium Grade Roofing Resin and Matrix Premium Grade Topcoat
"Guide"	means MCMC Guide to GRP Roofing
"Works"	means the roofing works specified in the Schedule
"Customer"	means the person firm or corporation for whom the Contractor is undertaking the Works
"Guarantee"	means a guarantee by MCMC addressed to the Customer to replace the Resin in the event of any defect being found therein within 20 years of its use in the Works
"Warranty"	means a 20 year warranty given by the Contractor to the Customer in respect of the Works

Operative provisions

A. In consideration of MCMC providing the Guarantee, the Contractor hereby warrants that

1. he is competent to carry out the Works;
2. the roofing materials have been laid with due care and attention, and in strict accordance with the Guide;
3. he is exclusively responsible for the application of the Works
4. he has issued and will support the Warranty;
5. the Resin, when applied, was within the expiry dates shown on the containers; and
6. the Customer has paid for the Works in full.

B. MCMC covenants to provide the Guarantee on satisfaction that the Works have been completed in accordance with the Guide.
